Spine Cover Cover System

Spine Cover

Features & Benefits

- Impress your customers and prospects by customising your presentation
- A perfect presentation that directly reflects the quality of the products and services you provide
- A presentation where you can choose your own front and back cover option or choose from the wide range of Cover Sets
- Only 4 spine sizes reduce your cover stock
- The spine can be crimped to the number of pages in your document giving you the perfect finish
- The steel spine guarantees a solid, durable binding
- The U-channel ensures that every binding is protected on three sides
- The crimping movement pushes the paper deeper into the binding resin for a guaranteed binding quality
- Your documents can be edited quickly and easy
